Daniel:

I have signed the 1900-55's but the following changes need to be made on the followup 1900-55s for both:

10.31.14 1900.55 Removal: Denise Thibadeau needs to charge her hours to the Assessment TDD rather than the Removal TDD (QASP Work). On the next 1900-55 please make the adjustment.

10.31.14 1900-55 Assessment: The comments for Vanessa for the hours on 10/30, and 10/31 are incorrect. She was not doing field work or sampling. She was working on the documenting the sampling activities rather than actually sampling. The next 1900-55, please make the adjustment.

Thanks
